ISS Graduation with Distinction Honorees

The **ISS Graduation with Distinction** awards honor our graduates who have completed their UW Bachelor's degree in ISS with an outstanding GPA. (Read more about the **ISS Scholarly Recognition** program.) There are three levels of "Graduation with Distinction" awards:

- ***Graduation with Distinction in Integrated Social Sciences.*** Graduates will be recognized with this award for graduating with a GPA of all UW classes since enrolling in the ISS program between 3.50 and 3.69.
- ***Graduation with High Distinction in Integrated Social Sciences.*** Graduates will be recognized with this award for graduating with a GPA of all UW classes since enrolling in the ISS program between 3.70 and 3.84.
- ***Graduation with Highest Distinction in Integrated Social Sciences.*** Graduates will be recognized with this award for graduating with a GPA of all UW classes since enrolling in the ISS program between 3.85 and 4.0.

The ISS Program is proud to recognize those graduates who have achieved this outstanding level of scholarship by listing their names below. (Please note: graduates who have indicated they do not want their information shared have been omitted from this list.)
